

**ZIPSCREEN**  
OUTDOOR SUNSHADE BLINDS

---

The Acmeda Zipscreen System is the ultimate external screening solution for any outdoor area or window.

Specially designed for alfresco entertaining areas such as **pergolas, verandahs, and balconies**, it offers **privacy and protection** from the sun, wind, rain, and insects **all year round**. Also ideal for **home and office windows**, it serves as a sleek, secure, and durable alternative to traditional awnings & outdoor roller shutters. Your custom designed system can be made in widths of up to 5 metres or drops up to 4 metres, offering you an external solution to fit almost any area.

residential external window coverings

alfresco areas

---

Cleverly constructed with hidden interlocking parts, the Zipscreen System features self-aligning side channels enabling installation in out of square areas, unlike many outdoor shade blinds.

Suitable for both residential and commercial applications, options include an enclosed box, range of custom colours and various controls to suit your individual requirements.

OUTDOOR SUNSHADE BLINDS

## » FEATURES

**SUN/UV PROTECTION**

**INSECT RESISTANT**

**WIND RESISTANT**

**PRIVACY**

**BLACKOUT**

Strong and durable, the Zipscreen System offers protection from the sun, UV rays, and inclement weather. In addition, its secure, custom-made fit can provide an insect-free environment to rest and relax in. Suited for a wide range of conditions, it is the perfect solution for any outdoor residential or commercial application.

With various external fabric choices available, including popular screen mesh fabrics; controlling the amount of visibility, to total black-out solutions, the Zipscreen System will ensure you receive your desired level of privacy.

It's simple yet stylish design improves the presentation of any home or office, defining outdoor areas and extending your entertaining space from your kitchen or lounge. It also provides a sleek external finish to any window.

**Slimline bracket** with  
matching end covers

Flat & grooved **dual surfaced**  
self-aligning Side Channels

**Bottom seal strip** reducing  
gaps from uneven floors

Functional, compact, and easy to install, the Zipscreen System is made with only the best quality external grade extrusions.

All of the hardware components are designed and produced by Acmeda, an internationally recognised Australian manufacturer with decades of experience.
